In re Application of
Lee, et al.
Application No. 10/811,607
Filed: March 29, 2004
Attorney Docket No. 42P19028

ON PETITION

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed August 8, 2008, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned April 26, 2007 for failure to timely file a reply within the meaning of 37 CFR 1.113 to the final Office action of October 25, 2006. The proposed reply required for consideration of a petition to revive must be a Notice of Appeal (and appeal fee required by 37 CFR 41.20(b)(2), an amendment that *prima facie* places the application in condition for allowance, a Request for Continued Examination and submission (37 CFR 1.114), or the filing of a continuing application under 37 CFR 1.53(b). See MPEP 711.03(c)(III)(A)(2). A three month extension of time under 37 CFR 1.136(a) was timely obtained. Notice of Abandonment was mailed December 31, 2007.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of a Request for Continued Examination (RCE), fee, and the submission required by 37 CFR 1.114; (2) the required petition fee; and (3) a proper statement of unintentional delay.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3205.

This application is being referred to Technology Center AU 2872 for processing of the RCE and for appropriate action by the Examiner in the normal course of business on the amendment submitted in accordance with 37 CFR 1.114.
